Thank you for purchasing a Lilac Lane e-pattern! I hope that you will enjoy this pattern immensely and make lots of dresses from it. Should you encounter any problems, please e-mail me at mstramel@melissastramel.com.

E-patterns are instant and fun. You will need a program that opens pdf files, such as Adobe Acrobat. This is a free program, which you can download at adobe.com.

Very important: after hitting print, you must set page scaling to "none" to correctly print this pattern. After printing out the pages, make sure to measure the one inch boxes located throughout the pattern to ensure that the pattern printed at the right scale.

There are a total of 4 pattern pages.

I do ask that you do not share this pattern with friends and family and instead honor my hard work by each buying a copy.

Take care! I'm sure this is a pattern you will Cherish!

Love,

xoxo
